PEOPLE & NATURE
CONSULTING
INTERNATIONAL

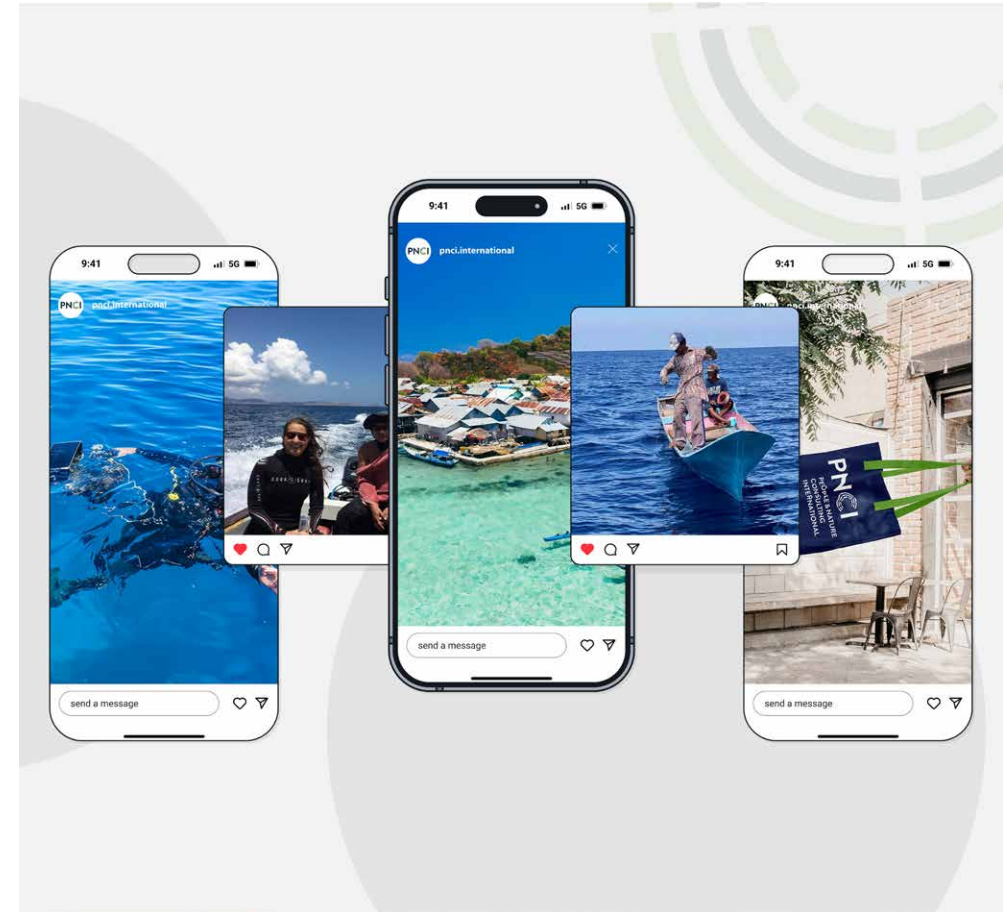

PNCI is an Indonesian consulting agency that enables conservation practitioners to do their work more successfully. Drawing on decades of experience from the frontlines of conservation in the tropics, PNCI helps organisations strategize and operate effectively, and to carry out environmental monitoring and analysis. The company's consulting services blend scientific and strategic expertise, supplemented with capacity building and the design of planning tools. PNCI can also take on the full management and staffing of conservation projects. In short – PNCI exists to enhance conservation impact in the tropics.

Branding Identity Design

PNCI Branding Identity Design

The branding approach at PNCI is to make the PNCI brand easily recognizable and adapt to today's target audience with several visual points, namely easy to recognize, memorable and looks fresher.
